ADOPT-A-HORSE SPONSOR PROGRAM

Josh & Bria

Since riding, Josh's mother sees big improvements in his confidence. He used to be timid with the horses, but now Josh is trotting with "his horse" Bria. Riding helps Josh strengthen his muscles, and helps him stay active through exercise.

Horses like Bria need the proper care to stay healthy and fit for their riders. Adopt-A-Horse Sponsorships will provide for their needs including feed, supplements, veterinary care, farrier, stall comfort & cleanliness, and more. Bria and her fellow therapy horses provide hundreds of lessons to our students every year. Please consider helping to keep our horses healthy and fit!

Full Year / \$3000

\$3000 covers the care for a therapy horse for an entire year! Full Year Sponsors will receive their name on a stall plaque, an 8x10 picture of their horse with his or her biography, and recognition on kidsonhorses.org.

\$1500 covers the care for a therapy horse for six months! Half Year Sponsors will receive their name on a stall plaque, an 5x7 picture of their horse with his or her biography, and recognition on kidsonhorses.org.
